Re: Suarez v. LIRR, et al. & Jordan v. LIRR, et al.  
22 Civ. 9013 (ER) 22 Civ. 7771 (ER)

Dear Judge Ramos:

The above-referenced actions are scheduled for a conference before you on Wednesday, November 20, 2024 at 11:30 AM. Due to matters of my personal health, I am writing to request a 30-45 day adjournment of the conference.

Last week I was admitted to St. Francis Hospital for a couple of days with heart issues. They started me on a new "temporary" medication that is leaving me dizzy, fatigued and short of breath - all perfectly normal side effects that should abate over the next month. If the medication does not work, then I will likely be re-admitted to have a cardiac ablation procedure in December or January to resolve the problem.

In view of the side effects that the medication is having on me, I do not believe it a good idea for me to go ahead with the conference on Wednesday and would therefore appreciate the above-requested adjournment.

I have consulted with Fredric M. Gold, Esq., Andrew Harms, Esq., Jacob Goins, Esq. and Garret P. Rooney, Esq., attorneys for the plaintiff in Jordan and all defendants, and each of them has consented to this application.

Respectfully yours,

*Philip J. Dinhofer*
